### **PUBLIC NOTICE** City of Rockwell

Meyer presented information on

officer training from Iowa Law En-

forcement Academy and Hawkeye

College, Mayor Flatness stated that

by community size there are guide

lines of one officer for every 800 to

900 residents, also noting he has

not had enough information from

the county for calls for service that

would affect Rockwell. Koob not-

ed that the call volume would not

be the same here as Mason City or

the County so the pay rate would

not have to be the same, but would

need to be competitive. Gauley

noted the overtime and feeling it

may be worth considering an ad-

ditional officer. Koob felt now may

be the time to figure this out in the

budget as Chief Whitney will not

be here forever and we will need

to have someone trained. Gauley

stated that we have Siefken look

ing at retirement also, so we could

be adding two more at the same

time. Koob noted that each depart-

ment is unique and will take time

for training and feels we need to

take the next step to progress with

an officer. Wentz felt this would be

in the community's best interest to

help with the work and to make the

transition at that point. Gauley and

Worley also felt this would be the

time to start with the budget for an

officer. Hensley asked about con-

sidering a part time person to tran-

sition into full time when Siefken is

ready for retirement. Mayor Flat-

ness noted we have ideas and dif-

Mayor Flatness reported that he

has talked with the DOT and the

highway 65 bridges will be several

ferent avenues to pursue.

**NOVEMBER 18, 2020** 

Mayor Flatness called to order the regular meeting of the Rockwell City Council at 7 p.m. on Wednesday, Nov. 18, 2020. Council members present were Gauley Meyer, Wentz and Koob with Worley via phone. Also present were Mike Nuehring, Tom Hensley, Jay Siefken, Chief Whitney and Dick Fridley via Zoom.

Wentz moved to approve the minutes of the previous meeting. Motion seconded by Meyer, carried

unanimously. Wentz moved to approve the treasurer's report for the Library. Motion seconded by Koob, carried

unanimously Hensley had quotes from Dahley Tree Service and Nuehring's Lawn and Tree Service for trimming and removal of trees discussed prior. Mike Nuehring was present and felt that the three trees on Second Street should all be removed as to trimming them. Nuehring also noted the tree on Southview Drive is hard to determine without any leaves on the tree, and he really wouldn't know how it is until they get into it, he would also recommend removing the tree completely. Koob moved by the recommendations of Nuehring to remove all four of the trees. Council discussed the issues with taking down trees and who is responsible for tree expenses. Mayor Flatness stated that by our code the property owner is responsible for trimming trees to ten feet above the sidewalk and street level and this may be one of the situations that need to be visited case by case. Following discussion. Worley moved to second the motion made. Motion carried with Gauley, Wentz, Koob and Worley voting Ave: Mever voting Nav. Mayor Flatness stated that with the 2021-2022 budget work ap-

proaching the Council needs to consider if the possibility of a second police officer is warranted and

feasible. Mayor Flatness presented

information on pay scales from sur-

rounding areas and discussed the

cost of training for a new officer.

more weeks. Gauley asked about the work at the basketball and tennis courts. Siefken explained that the area be-

tween the two courts is for drainage, Heartland put a tile in and we will need to leave this unpaved. Gauley asked about the grocery store building. Mayor Flatness noted he had contacted the relator and they will be selling fixtures and the building, and he noted some inter-

est in the building. Wentz asked Chief Whitney if all of

the owners of campers and trailers have followed the new ordinance. Chief Whitney noted most have, he

has talked with some that were unaware of the ordinance. Koob asked about the Main Street property. Mayor Flatness noted that we will not be able to do any-

thing until this clears litigation. Koob reported on the work at the pool with the work area being backfilled on the outside and the electrical work being done to make sure everything is up to code.

Mayor Flatness noted the Insurance Company has sent payment for the repairs made.

Koob reported that he has a company putting together brochures for the proposed playground and funding request that will be sent to all in the area. Mayor Flatness noted this is a 501C3 project so all contributions are tax deductible. Worley noted that our area farmers are a big part of this community so now would be a good time to ask for contributions. Koob also noted the school uses the park area for gym classes when the weather is good. Koob asked about some city right of way areas that have been rocked by the property owner, and feels this should be left as was with grass. Siefken noted that for drainage this needs to still be a waterway with a ditch that is six to eight inches lower than the asphalt.

Mayor Flatness noted there will he a land auction in the building tomorrow and Chief Whitney has done some extra leg work to make sure this is accommodated with the Governors guidelines in place.

Mayor Flatness wished all a happy and healthy Thanks Giving. With no further business, Wentz moved to adjourn the meeting. Motion seconded by Koob, carried unanimously. ATTEST.
